Student Council Seeks To Improve

The Student Council is an organization of representatives elected from each class and organization. They meet every Friday to discuss any problems that arise concerning the lounge, or any other major crisis around school. Under the leadership of President Jody Sims, the S. C. sponsored the Homecoming activities, decorated the school for Christmas, and planned the annual Christmas party. The Club is now in the process of landscaping the school grounds.

The Bookstore is one of the projects of the Student Council. Each member is assigned to work certain days. Terri Cooper is seen "doing her duty" at lunch hour.

Junior-Senior Prom

"Colour My World"

P r o m '7 2

Prom is a special time of the year, that both juniors and seniors look forward to with great anticipation. This year the Junior Class decided to hold the prom at the American Legion in Monmouth, Illinois. A special smorgasbord was served followed by dancing. The Class of 1973 worked hard and long to make this a beautiful prom and they certainly succeeded! Many thanks should go to the class and their fine sponsors. Not only did they have the tedious job of decorating, but they had to come back on Sunday afternoon and clean up the mess. A special should go to the Sophomores for coming and presiding over the punch table.

Gloria Staley

Bonnie Benedetti, sponsored by the French Club, has been Yorkwood's French exchange student this year. This has been the first time Yorkwood has ever had a student from France. Bonnie was in the Senior Class and participated in many activities while here. She resided with the Dean Andersons' during her stay here. Bonnie went to classes just like the rest of us and followed a schedule. We at Yorkwood hope Bonnie had an enjoyable stay and will look back on this experience to the United States as a memory never to be forgotten!

Pat Tinkham was always there to fill in for the cheerleaders when one was sick.

SPORTS

Bears Place Second

The Yorkwood Football Season changed from a dismal beginning of two losses to a magnificent ending of second place in the Bi-County Conference. Coach McIntyre said, "we were able to put it all together" due to the fine attitudes and leadership provided by our seniors.

Football is a game of great physical contact and to be able to play the game you have to be in top condition. Yorkwood had a good year placing second in the conference. Everyone's effort made it possible to achieve this honor.

Memories To Remember 1972

Winning is a team effort. They who want to win will conquer. No one will forget the upset over Union that won us the bell, the sweet victory over LaHarpe, and the triumph of beating Warren. These are truly memories to remember.

There are many high and low points of a season, no matter what sport you refer to. This year our school record was 13-12. We did not have an exceptionally good year, but it was a year learning and rebuilding. Not only those who played should be recognized, but those who sat on the bench as well. It takes good bench strength to rely on when our starters get in trouble, or injured. Every man who was out for basketball this year was a credit to the team and displayed a good example of sportsmanship we, at Yorkwood, can be proud of. Losing is not easy, but neither is life!!

I doubt that many people will forget the J. V. Tourney held at Yorkwood this year. This tournament was only recently started two years ago. It is composed of area Schools and this year Yorkwood reigned as champs. Enough cannot be said about this great bunch of guys! Not only did they win the tournament, but their record was 14-7 one any coach would be proud of! As the year comes to an end, we look forward to next year when these guys will be out to play again. They not only make basketball fun to watch, they make it something special!!

Another year has gone by in sports. Many people have put in a lot of time, patience, and work to show that our school is important to them not only as an individual but as a member of the team. As stated by Bobby Weiss, having a good attitude in athletics is necessary in order to be successful; whether it be football, basketball, or track.

School Beautification Tree Dedication

April 20, 1972 was a special day for Jody Sims, President of Student Council, in that the organization attained the main goal that Jody set last year. But this was even a bigger day for the people of the Yorkwood community. For this was the day when finally the students of Yorkwood were able to show their appreciation for the continuing support that this community had given us in all school activities.

The landscaping project included a total of 82 trees and bushes. The Class of '71 financed most of the project.

The Junior High organization of Student Council has in many cases, sponsored many activities for the students that they otherwise would not have had. They have had dances, crazy days, and the concession stands at many football and basketball games. The members also work at the book store during their lunch hours, taking turns. With these new undertakings, it helps students accept more responsibility. Their advisor is Mr. Ramer.
